Pipers Sweep Most Events in Snyder Track - Field Meet

The Pied Pipers of Hamlin were not seriously extended in winning the district track and field meet held at Snyder last Saturday. Competing against a bevy of teams from Roscoe, Merkel, Colorado City, Snyder, Roby and Rotan, the Pipers racked up 53 points for an overwhelming lead. Merkel took second honors with 28, Colorado City 26½, Snyder 18, Roscoe 17, Roby 12 and Rotan 10.

Prior to the meet it was felt that Roby would give the Pipers close competition and Hamlin Coaches Burditt and Townsend were apprehensive that second and third place points might beat the Pipers in final tabulations.

The versatile Asa Goodgame added lustre to his final year of high school competition by being named as high point man for the meet with first honors in the high and low hurdles, a tie for first in the high jump, second in the broad jump and fractional points for his lap on the winning mile-relay team.

Events and the winners follow: 120 Yard High Hurdles—Asa Goodgame, first; Burnett, Roscoe, second; Nix, Roscoe, third and Weems, Rotan, fourth. Time: 15.5.

100 Yard Dash—Harrison, Snyder, first; Harris, Snyder, second; Garner, Colorado City, third; and Jones, Merkel, fourth. Time: 10.5.

440 Yard Dash—Sugar Green, first; Byburn Roby, second; W. T. Stapler, third; Harrison, Snyder, fourth. Time: 34.2.

200 Yard Low Hurdles—Goodgame, first; Nix, second; Burnett, third; (tied with Nix for second) Elmore, Hamlin, fourth. Time 24.5.

440 Yard Sprint Relay—Hamlin, first; Merkel, second. Hamlin team—Ronald Armstrong, Tuffy Ford, Sugar Green and W. T. Stapler. Time 47.5.

880 Yard Run—Gary, Snyder, first; Don Rowland, second; Martin, Rotan, third; Robert Fletcher, fourth. Time 21:17.

220 Yard Dash—Jones, Merkel, first; Harris, Roby, second; Garner, Colorado City, third. Time: 24 seconds.

1 Mile Run—Breaux, Merkel, first; Cowan, Hamlin, second. Time 5:07.2.

1 Mile Relay—Hamlin, first; Snyder, second; Roby, third; Colorado City, fourth. Time: 3:41. Hamlin's team: Ford, Green, Goodgame and Stapler.

Broad Jump—Weems, Rotan, first; Goodgame, second. Distance: 19 feet 2½ inches.

Shot Put—Stapler, first; Thompson, Colorado City, second; Westbrook, Rotan, third. Distance 40 feet 10 inches.

Discus Throw—Carney, Colorado City, first; Stapler, second; Shoemaker, Colorado City, and Thompson, Colorado City, fourth. Distance: 123 feet.

High Jump—Goodgame and Ford tied for first; Corbell, Colorado City, third. Height: 5 feet 7 in.

Pole Vault—Nix, first; Jones, Merkel, second. Height 10 feet 6 inches.

The Piper tracksters will take a practice breather this Saturday with Abilene and will go to the Regional meet at Brownwood next Saturday. First and second place winners at the Snyder meet will be eligible to compete at Brownwood.

Gonzalez Paralysis Foundation Up for New Aid Extension

Reaffirmation of the operational agreement between the National Foundation for Infantile Paralysis and the Gonzalez Warm Springs Foundation concerning polio patient care was announced in Austin Thursday of last week.

Representatives of both organizations conferred at Gonzales to discuss joint policies, particularly as concerns costs to NFIP chapters in Texas on a reimbursable cost basis for polio patients treated at Gonzales at chapter expense, and also dates for separate fund raising activities.

Air Rifle Ordinance Tabled in Favor of Parental Control

Mayor Mac Brundage has been approached with a number of requests that a city ordinance be enacted which would bar the use of air rifles by the youth of Hamlin within the city limits.

Damage to property that has resulted from the free use of just such guns has led to the requests for legislation. Serious injury that came to an Abilene boy has also been taken into account in the fears of parents.

It is felt by the city administration that official steps will not be necessary to curb the danger that lurks in this form of recreation. Proper supervision by parents and discussion of these dangers with the youth of the city is believed to be the proper solution to the problem.

First Day for Grid Drill Hurts Pool

First day of Spring football training for the Hamlin High School Pied Pipers brought an injury to Billy Pool, candidate for a position in the line.

In staging blocking demonstrations Pool suffered a dislocation of his knee and was rushed to Hamlin Memorial Hospital for treatment.

Extent of the injury is not immediately known.

Coaches Jess Burditt, Vernon Townsend and Bob Nunley are already putting their charges to rigid test to find their capabilities as they search for replacements to a graduation-riddled squad.

Chief search is for a quarterback to handle T formation assignments in the Piper style of attack.

Foursquare Church Holding Revival

Foursquare Church of Hamlin began a revival Tuesday, April 10 thru April 22 with Rev. Mattie Thompson in direction of gospel services, according to a report to The Herald.

Rev. Thompson is pastor at Weinert and services will begin each night at 7:45. Good gospel preaching and special singing is assured attendants.

Sermon topics for the week include: "Great Grace", "The Man Who Met God", "In The Shadow of the Cross", and on the closing night, "The Auction Block."

Rotarians See Film On Power of Peace

Hamlin Rotarians saw a Department of Defense picture entitled "Power for Peace" at its regular Wednesday noon luncheon.

The film was furnished Gene Prewitt program chairman by the USA Recruiting Service at Abilene and Claude Blankenship operated the High School projector.

The picture dealt with the spending of money in the different branches of armed services in peace time to keep them ready for immediate action in case of war. Showing improvements in each service since World War II and why the people at home must produce for defense of our nation.

There were eight visitors from Abilene and R. L. McMillan of Abilene was a guest of Dean Witt, Junior Rotarian, Larry Reynolds, also was present.

Sheriff Dunwoody Says Punch Boards Must Go

A warning was issued this week to all punch board operators in Hamlin and vicinity by Jones County Sheriff Bill Dunwoody.

He states, "I understand there are punch boards operating on the counters in this area. They are against the law and I am asking all such operators to get rid of all punch boards at once."

According to law, punch boards are illegal and a fine and jail sentence can be imposed on such offenders if convicted.

New Projects Now Near Pay Depths In Jones County Oil

Pessimistic note to the oil situation around Hamlin was reflected in news of the past week. The potential producers for the week failed to find the pay and other projects are in the state of drilling according to program.

Texas Pacific Coal & Oil Co. has succeeded in whipstocking through collapsed pipe on their Casle 5 and will drill to original depth.

Moutray-Moore, et al, drilled to a depth of 3840 on their J. S. Inzer 1 and abandoned the hole as a dry Swastika try.

Wilson Brothers have staked a deep test on their J. G. Whaley well in the East Hamlin field. It is believed that this will be a Strawn try.

TP has reached 2700 feet on their R. L. Goodgame 1 which is being drilled on a 4,900 foot permit.

General Crude Oil Company was forced to abandon their Gonzalez 3 which had no show at a 5,564 foot level.

General Crude has reached a 4100 foot depth on their Pierce Holland 1, which is an offset to their Ulmer 1. It was reported that this well had no show in the Swastika.

Texas Pacific is at 5600 feet on their Tucker 8 in the Pardue field. This is an Ellenburger try. S. B. Roberts is below 2,000 feet on their W. J. Bryan 1 which is an offset to the Moutray-Moore 1 in that field.

Cree Oil Company has reported a depth of 3,200 feet on their Luther Rector Number 1.

Ed C. Lawson Drilling Company is at 2,500 on their Jess Young Number 1 which is being drilled 10 miles southeast of Hamlin. This is to be a Swastika test.

Oxford Drilling Company has had no show at 5,400 feet on their Dudley Lewis 1, 10 miles north-east of Hamlin.

According to Tax Collector-Assessor Elzy Bennett, Jones County showed an increase of over 700 passenger car registration during the past year.

Total at the close of 1951 figures released were: 6,537 compared with 5,825 for same time last year, showing an increase of 712.

A break down by towns where cars could be registered were: Anson, 2,703; Stamford, 2,408; Hamlin, 1,354. Last years figures were: Anson, 2,369; Stamford, 2,230 and Hamlin, 1,226.

Piper Baseball Club Takes Shellacking

After a 26-0 rout which they were subjected to in a practice baseball game with Abilene High School Tuesday, the Hamlin high school baseball team prepared to go to Sweetwater Friday for a game of the same description.

Site of the game was changed to Sweetwater from an original setting for Hamlin because of a conflict which occurred.

Remainder of the schedule for the Pipers will bring Abilene here on April 19 and Sweetwater here of a April 26 game. The Anson Tigers were added to practice game foes and will come to Hamlin May 11 prior to a return visit by the Pipers on May 15.

The debacle at Abilene brought the lack of preparation of the Pipers painfully to light and caused worry to the coaching staff. The start of spring football training leaves little time for the coaches to devote to the training of the baseball squad, which is composed chiefly of seniors.

Jones County Singing At Stamford Sunday

Jones County Singing will be held Sunday at 2:00 p. m. at the Swenson Avenue Baptist Church of Stamford.

Announcement came from Sam White who states, "We'll be looking for you."

Firemen Impress Visitors With Women Taking Leading Role, Lawson Elected

In a convention that was featured by the outstanding part taken by the Hamlin auxiliary, firemen members of the Midwest Texas Firemen's Association met at Hamlin Thursday for an all day session.

Principal portion of the morning was devoted to registration of delegates and guests as they arrived prior to the business meeting staged in the Ferguson Theatre after lunch.

Nineteen towns and cities were represented at the convention. Four hundred and seventy-eight were fed at the splendid feast offered as the day closed.

Particular subject of comment was the manner in which the auxiliary of the Hamlin department had made plans for entertainment of women at the convention. A tea was held at the premises adjoining the fire hall proper at which Mrs. Sol Branscum welcomed the guests.

Mrs. Brad Rowland added to the pleasure of the tea with an excellent book review on "The Big Eye."

The reception room was tastefully decorated with gladioli and the tea table was covered with a hand made lace tablecloth. Centrepiece was an arrangement of red roses which carried out the club color motif. About 75 of the visitors were present.

While wives and friends were thus engaged, the firemen elected H. O. Anderson of Cisco as president to succeed H. O. Whorton of Albany. A. B. Parker was chosen as first vice-president and Jake Lawson was named second vice-president. J. Parker Sharp of Merkel was again named as secretary and treasurer of the organization.

Chief of Police Robert Miller of Stamford extended an invitation to the association to hold an October meeting at Stamford and Dick Rowland, also of Stamford added his plea for the convention.

Anson was very active in the proceedings of the day and this was the first participation of that department. Arrangements were made for the Hamlin auxiliary to aid in the formation of a like organization in Anson.

A pleasing feature of the day was the demonstration races held near the postoffice. Hamlin was not permitted to participate in the events because of being the host city.

The following were listed on the official register for the convention:

Mr. and Mrs. Carl McInturf, Hamlin; Mr. and Mrs. Travis Con-

ner, Hamlin; Price Sandlin, Paducah; Howard Powell, Paducah; Bob Rushing, Paducah; Mr. and Mrs. Brad Rowland, Hamlin; Mr. and Mrs. Nute Stephens, Hamlin; Howard Nail, Hamlin.

Sanitary Group of C of C Urges Unity In Rat Campaign

Sanitary Committee met at the Chamber of Commerce Tuesday morning to discuss the eradication control program sponsored by the local Chamber of Commerce.

Committee is composed of Dr. M. L. Smith, chairman, Eddie Jay, Mrs. Bob Tegar, John V. Howard and Wesley Nail.

Dr. Smith urges the people of Hamlin to take advantage of the eradication control program that is sponsored by the Chamber of Commerce. In doing this, he stated, will call for a general clean-up of all business houses and dwellings to help insure the success of the drive.

Continuing, he stated, that all refuse should be placed in containers in the alleys conveniently for pick up.

Mayor B. M. Brundage stated, "if necessary another truck will be acquired to help dispose of such refuse."

In closing Dr. Smith stated, "this will be a paliminary clean-up for the town as an extensive clean-up will be inaugurated sometime in May."

Robbers Raid Jackson Grocery at Truby

Bud Jackson, former Hamlin grocer, now in business at Truby, was the victim of a robbery last week.

Thieves availed themselves of tools Jackson had been using in making repairs to his store premises to enter the building and in gaining entrance to the safe. Estimates are that \$78.00 was stolen in the robbery.

Typhoid Time Near Says State Officer

"It is a well known fact that typhoid fever may result from the use of water, milk, or other food contaminated by bodily discharges of patients or carriers who harbor typhoid germs," a report from Dr. George W. Cox, state health officer, revealed.

"This fact that we know the source of infection and the means by which infection may be controlled, emphasizes the importance to all communities of providing water and milk of the highest quality."

"Texas is being host to many visitors this year, and all communities should put forth every effort to see that no epidemic occurs which will put an unnecessary blot on the health record of this State."

"Typhoid fever may be controlled by the use of pure water, pasteurized milk and clean foods, by the proper disposal of sewage, by screening homes against flies, by protecting food from contamination by flies, by destruction of the fly and its breeding places, by search for and care of carriers, and by anti-typhoid vaccination."

"Excreta from persons ill with typhoid should be carefully disinfected to prevent the germs from polluting the soil and thus being carried into streams or wells and contaminating the water supply."

Where there is an efficient system of water purification, typhoid fever has greatly decreased.

"It is the responsibility of each community to establish adequate safeguards against the consumption of contaminated products at all times and in all places."

"It is the responsibility of each individual to further control the occurrence of typhoid fever by establishing immunity for himself by vaccination," concluded the report from Dr. Cox.

Marvin Carlton, principal of the Hamlin Elementary School, left for Austin Wednesday to attend a state convention of elementary principals. He will return to Hamlin Saturday.

Mr. and Mrs. Marvin T. York, Jr. and son, Richard, visited over the week end in the home of Mr. and Mrs. M. T. York. They are from Dallas.

Lions Hear Quartette At Tuesday Luncheon

The Abilene Christian College Quartette appeared before the Hamlin Lions Club Tuesday in a medley of songs that found an appreciative audience.

The Abilene foursome was composed of Don Hall, Bob Hunter, Dick Dautry and Kelly Martin and their blending of voices in traditional barbershop quartette style brought repeated applause from the service club.

Kenneth Brown and Bob Hall attended the club meeting as the guests of Dr. Doyle Blackford.

A list of club members was submitted for consideration and recommendation to the nominating committee in forming a ballot for club officers in the coming year.

Marriages Above Average for County

Terry Lee Neill, son of Mr. and Mrs. T. W. Neill of Kermit was born April 6 at 5:30 p. m. and died April 7 at 2:30 a. m., according to a report made The Herald.

He was laid to rest by Wayne Neill in Hamlin East Cemetery.

VFW Officers List Has New Names

Hamlin's Post 6014 of the Veterans of Foreign Wars installed their newly elected officers last Tuesday, April 3 at the Post Home at 8:00 p. m.

C. W. (Jiggs) Gold, past commander, installed the new officers as follows:

L. V. Ely, commander; John Edison, senior vice commander; Garland Preston, junior vice commander; Bill Harbert, quartermaster; Roger Garrett, post adjutant; L. H. Hampton, post chaplain; Clyde Riley, one and one-half year trustee; John Hymers, chairman of board of directors; J. E. Stedham, Bob Frazier, Bill Dalby, George Brown, directors; Earl Smith, appointive adjutant; Noval Watson, officer of the day; Clinton Barrow, post service officer; C. W. Gold, publicity officer.

Wynn Oil Signs Marr As Product Distributor

Luther Marr of Hamlin was signed Monday by Wynn Oil Company of California, as distributor of the Abilene office which covers a 14 county district.

The office was previously in Abilene and will now be moved to Hamlin according to Mr. Marr.

Mr. and Mrs. Marr attended the company's second annual sales meeting held at Waco last Friday and Saturday.

Over 23 salespeople and their families attended the meeting a report states.

Slaughter Cattle Under OPS Control

Slaughters of cattle during April on will be permitted to slaughter no more of these animals than the amount they slaughtered in April 1950, accounting periods, according to Ellis H. Boyd, Fort Worth District OPS director.

There will be no quota restrictions for calves, sheep, lambs, and swine for April.

Slaughter quotas for all types of livestock were to have gone into effect April 1 under the original OPS regulation which was issued February 9.

Slaughters were required to apply for registration by March 15. However, because of delays in obtaining forms and due to administrative difficulties, OPS said, it has not been possible for all such slaughtering to apply for or receive their registration numbers.

If a slaughterer has not filed an application for registration or received his registration number by April 15, he may not slaughter livestock after that date.

Boyd emphasizes that farms now are available and that it is the responsibility of the slaughterer to see that he obtains the proper forms in time to make his application.

Vocational School for County Will Teach Vets Education Course

Jones County's Vocational School plans to open a class for veterans in Distributive Education in Hamlin, providing there are enough interested with eligible training time.

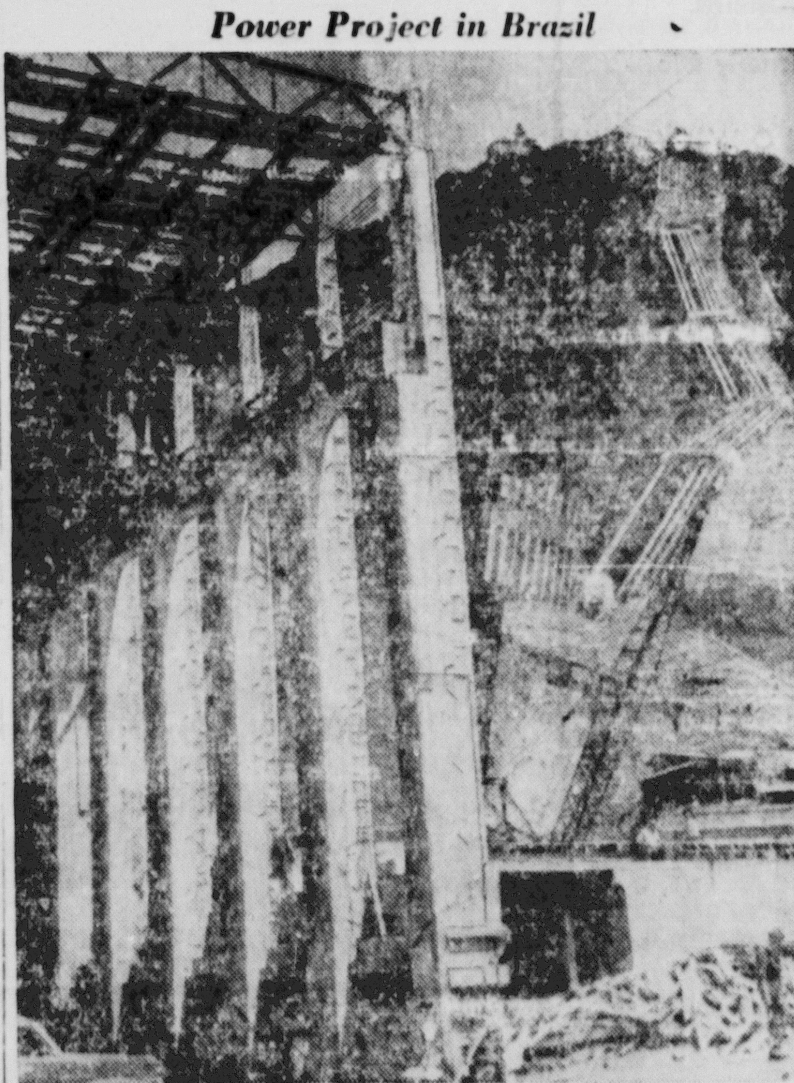

All interested veterans are requested to contact Clinton Barrow and are urged to attend a meeting Thursday, April 19 at the office in the Fire Station Building at 7:00 p. m.

Mr. Barrow stated that successful classes had been held in Stamford and Anson and that 18 veterans may make up a class.

Hamlin Co-op Gin To Meet Next Saturday

Hamlin Farmers Co-Op Gin has announced an annual membership meeting Saturday, April 21 at 2:00 p. m. in the Hamlin High School Auditorium.

Purpose of the meeting other than the election of officers will include the discussing of building a new gin plant and the distribution of funds.

One example of economic development in South America is this hydroelectric project in the Rio de Janeiro area. A loan of \$75,000,000 from the International Bank for Reconstruction and Development, a Specialized Agency affiliated with the United Nations, to the Brazilian Traction, Light and Power Company, Ltd., assisted in financing recent expansion of its developing hydroelectric system.

Beautiful to look at
Beautiful to drive

Watch the little lady park
the beautiful, big car . . . a
single finger on the steering wheel
can do it now, with Hydraguide!

**Now Hydraguide Steering does four-fifths
of the work for you!**

THINK of the easiest steering car you ever drove . . . then imagine one five times easier to steer! Chrysler's new Hydraguide power steering . . . regular on Crown Imperials and optional at extra cost on all New Yorker and Imperial models . . . gives you exactly that. Here is by far the greatest single change in handling ease—and safety—you ever found in any car. At your touch on the steering wheel, the car mechanically provides four-fifths of the energy to turn the tires on the road. Like so much in these new Chryslers . . . Hydraguide is so basically new, so basically better than anything before, that only when you try it can you ever know what it really does!

The longest day's drive you ever made . . . without arm-and-shoulder fatigue at the end. Around the curves . . . over the hills . . . Hydraguide does four-fifths of the work!

In tight city traffic . . . on awkward driveways and roads . . . Hydraguide means new safety, new ease, new swiftness of steering control!

The Most Basically New Cars of All!

Beneath the rich new beauty of these Chryslers for 1951 are 73 different improvements and advances. Among them are the most basic new ideas in any cars for many years! Like the revolutionary new FirePower engine, of 180 horsepower, which gives owners of Chrysler Imperial and New Yorker cars the most powerful, most efficient, most all-around economical powerplant in any car today! And like the amazing new Chrysler Oriflow shock absorbers, which give every new Chrysler car riding ease with twice the shock-absorbing power of any other cars at any price. And with all their newness, they're built to stand by you like no car you ever buy!

Tasty Tuna Patties

The cook who can come up with a tasty tuna patty of melting tenderness should be revered in song along with the lass who could bake a cherry pie. For tuna patties, combining the delicate goodness of tuna flakes with seasonings and crumbs, are truly a gustatory delight.

This tuna patty, with velvety textured mayonnaise baked in should make the hardest-to-please man sigh with contentment.

Broiled Tuna Patties
4 hard cooked eggs 3/4 teaspoon black pepper
1 6 1/2-ounce can tuna, flaked 1 cup mayonnaise
1 1/2 cups fine dry bread crumbs 1 lemon slice
1 tablespoon finely cut parsley Paprika
1/4 teaspoon salt

Finely dice the eggs and combine with the tuna, 1 cup of the bread crumbs, the parsley, salt, pepper and mayonnaise. Mold into 5 or 6 patties, and cover them on both sides with the remaining crumbs. Broil under low heat until golden brown and heated through. Garnish with lemon slices sprinkled with paprika.

Billye Sue Polk Weds Richard Powell In New Mexico Ceremony

Billye Sue Polk, daughter of Mr. and Mrs. O. G. Polk, 315 NW Avenue C, became the bride of Richard Powell, son of Mr. and Mrs. A. D. Powell, also of Hamlin, in rites held in Lovington, New Mexico, Monday, March 26.

Marriage vows were read in Lovington, New Mexico by the Judge there with a single ring ceremony. The couple was attended by Mr. and Mrs. T. W. Jean of Hamlin.

The bride wore a suit of silk shantung in a pastel shade of pink and accessories of beige. She wore a corsage of white carnations.

Bride was reared in Ranger and moved here with her parents in January 1950 and was a student in Hamlin High School.

The groom attended Hamlin High School and is employed by the Celotex Corporation.

The couple is at home at 346 Central Avenue.

America's Largest and Finest Low-Priced Car!

The Skyline De Luxe 4-Door Sedan (Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Yes, LARGEST... and the facts speak for themselves

Yes, FINEST... and here are the plain-spoken reasons

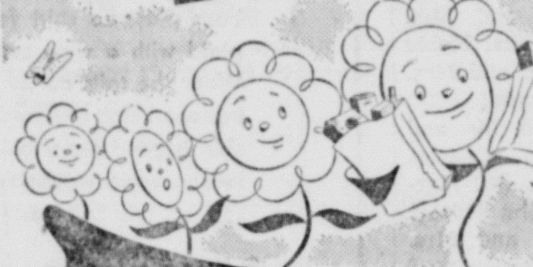

It's LONGEST in the low-price field, a full 197 1/2 inches of spirited action and clean, sweeping lines. It's HEAVIEST in the low-price field, a staunch and solid 3140 pounds in the model illustrated. It has the WIDEST TREAD in the low-price field, a road-taming 58 1/2 inches between centers of the rear wheels. Longer, heavier, with wider tread... that's the measure of Chevrolet's rock-solid value... big in looks, big in handling and riding ease, big in road-hugging performance. Why settle for less than a Chevrolet... when Chevrolet is the lowest priced line in the low-price field.

FISHER BODY QUALITY, renowned for solid and lasting goodness. UNITIZED KNEE-ACTION RIDE, smooth and gliding. VALVE-IN-HEAD ENGINE ECONOMY, spirited performance at lowest cost. PANORAMIC VISIBILITY, with a big curved windshield and large window area. JUMBO-DRUM BRAKES, biggest in Chevrolet's field. SAFETY-SIGHT INSTRUMENT PANEL, with shielded instrument lights. POWERGLIDE AUTOMATIC TRANSMISSION, billion-mile-proved, combined with 105-h.p. valve-in-head engine optional on De Luxe models at extra cost.

Good reasons why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

McCaulley News
By RUBY PERRYMAN

The Stanley Party at the R. B. Hemmington's was almost rained out but those present enjoyed a pleasant evening. Mrs. Hemmington received a 40 point gift.
Services at the Baptist Church Sunday morning were conducted by John Martin Ferguson, son of Mrs. Charlie Ferguson Sr. Visitors were present from: Sylvester, Roby, Rotan, Hamlin, Colton, Sweetwater, Longview and Graham. It was his second time to preach and attendants predict a great future for him in the ministry.
Mr. and Mrs. Roscoe Perryman and son, Billy Jack, a grandson, Lindsey Wayne McCasland, visited Mrs. Perryman's brother and family, A. L. White and Mr. Perryman's sister and family, Mrs. Jim Fenton, of Tahoka over the week end.
Visiting in the Grady Cook's home Sunday were their daughter and family from Sylvester, the Harold G. Reeds.
Mrs. Buddy Gibson, Mrs. Tom McCasland and son, Mrs. Red Miers went shopping in Abilene Friday. While there they visited the George Dardens.
Mrs. Kean, president of Women's Missionary Union, reports nine ladies present with a mission program lead by Mrs. L. R. Stuckey.
Warren Davison and family of Lamesa were week-end visitors in the home of his parents, the W. F. Davisons.
A young man from Korea and another from Estonia spoke at the Methodist Church Sunday night. They are students in McMurry College, Abilene.

Most people favor that which will return them something for nothing or much for little.
Captain and Mrs. W. H. Pickron of Panama City, Florida and daughter have been visiting W. H. Pickron of Hamlin and Mr. and Mrs. George Darden of Abilene.
Some people's idea of security is an elephant hanging over a cliff with his tail tied to a daisy.

Mr. and Mrs. Weldon Carter and children, Jean and Bob visited with Joe Wayne Carter in Camp Chaffee, Arkansas last week-end.
Any person who starts out working a crossword puzzle in ink is a true optimist. If there ever was one.
Mrs. Lala Harbert was a guest of relatives in Teshamingo, Oklahoma over the week-end.
